Don't let your children miss a week of fun themed days during this February's Vacation Camp! Each day will include activities related to the theme of the day, including creating Mardi Gras masks, Disney Scene It, Angry Bird games and create-your-own Super Hero.

Attention

The ECC's fall, winter, & summer vacation camps are state licensed. We are required by the State of Connecticut to have a current physical form on file within the last two years for all participants.

An authorization for administration of medication form signed by a physician is required for all medications being left at the camp, including an epipen.
Spaces are limited so sign-up early to avoid disappointment.
